

**Finger Lakes Environmental Film Festival  
presents**

**APRIL 11 | 6:50 PM**

**Cinemapolis**

120 E. Green St.

---

Join us for a screening and panel discussion of the documentary **WASTED! The Story of Food Waste.**

WASTED! exposes the many harms of food waste, features renown chefs turning food scraps into gourmet meals, and shows how each of us can make small changes in our lives to solve one of the 21st century's greatest problems.
