

\$10 FOR YOUR THOUGHTS?

(and about 15-20 minutes of your time)

Tompkins County COVID-19 Food Task Force and Tompkins Food Future, along with researchers from Cornell and Ithaca College would like to ask about your information needs, and how your household has been obtaining food during the coronavirus outbreak and over the long-term.

You must be a resident of Tompkins County and over 18 years of age. Please note that the survey is available only for a limited time and may close early.
